CALAIS/DOVER: MINI-CRUISES ON THE CHANNEL

The Port Boulogne Calais is the leading French port for travellers.

The port of Calais welcomes around **8 million passengers each year**, who choose to transit through the closest port to the United Kingdom. The port of Calais is fast and flexible, **offering 24/7 services all year round**. Connected to a network of motorways (A16, A26, A25 in France, and the M20 and M2 in the UK) and railways, Calais is less than three hours from Paris, London and Brussels. Three ferry companies offer up to **50 daily departures** to Dover aboard spacious and comfortable ferries. The mini-cruise takes about 90 minutes.

TRAVEL SERVICES

The Port of Calais welcomes travellers in the brand-new terminal, inaugurated in October 2021. It offers pedestrians and passengers travelling in private vehicles and coaches its high-quality and comfortable adapted infrastructure, as well as access to a dedicated border-control area.

A range of services are made available to guests :

Before check-in, at the Ferry Terminal

After check-in, at the pre-boarding areas

DUTY FREE & VAT-REFUND TERMINALS

- While passing through the Port of Calais, passengers can take advantage of the duty-free shop, located right next to the pre-boarding areas in the new terminal.

- PABLO VAT-refund terminals are also available for travellers who meet VAT-refund conditions for their purchases made in France (excluding duty-free purchases).
